CAFÉ CATHEDRAL

FOOD AND WINE

A CATHEDRAL EXPERIENCE

In the historic bazaar of Kirkeristen you will discover us embedded amongst one of Oslo's ancient structures, featuring Karl Johans Gate and first rate views of bustling life. This timeless environment, where classic meets contemporary, is where we have confected a distinctive atmosphere out of Norway's most stately cathedral.

Here you can begin your day with a cup of fresh coffee and watch the rest of the city come to life. Or relax late into the evening while enjoying a stone baked pizza as locals and tourists rush past.

Our dishes are made with only the highest quality ingredients, inspired by beloved Italian and Norwegian recipes - but with our own unique twist. We don't just serve food, we serve memories because we believe that love, respect, and thoughtfulness for the ingredients are what make our meals special and why people with a real appetite return to us - again and again

Welcome!
